

Transmission reliability 2013

## Transmission reliability of Fingrid's network

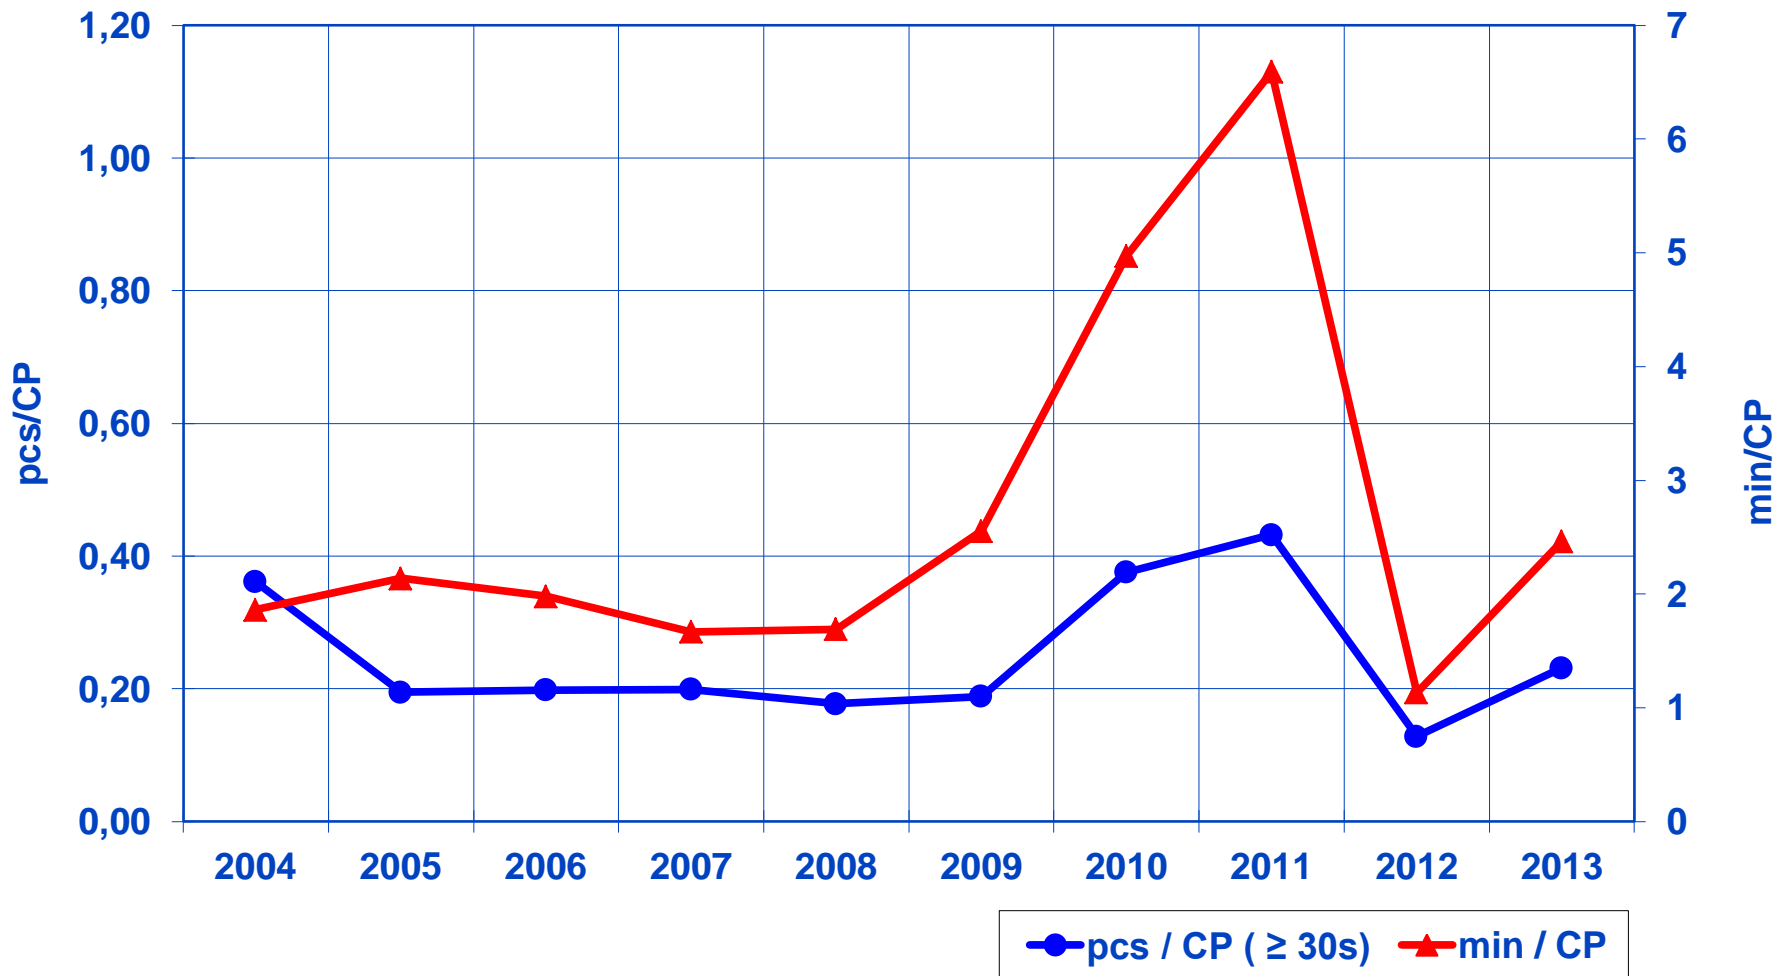

Transmission reliability = energy supplied / (energy supplied + energy not supplied due to disturbances)

## Energy Not Supplied (MWh)

# Connection point interruptions

2010 Asta storm 29.7, Imatra-Konkappelto

2011 Tapani and Hannu storms 26.-27.12, Kolsi – Forssa, Hikiä-Nikkilä, Hikiä-Forssa E

## Number and reasons of disturbances
