Aiming for zero accidents

Occupational health and safety are the priority for all of Fingrid's activities. Our goal is zero accidents.

Furthermore, our worksites must not pose a hazard to third parties.

Take a triple-jump towards zero!

The triple-jump towards zero campaign is running from 1.9. to 30.11.2024

Plan, assess, think, and enjoy the rewards!

Every month, three car cameras will be drawn in monthly challenges. The three work sites with the most work risk assessments, toolbox talks and safety observations at Quentic in terms of hours worked will win ten restaurant gift cards!
